

Facility Coloring Activity Guide

Free sample - 3 pages

Prepare

Print single-sided at 100% scale on the matching paper size.

Offer colored pencils, crayons, and an eraser.

Let each participant choose a page they like.

Activity

1. Choose one page for the session.
2. Allow about 20-40 minutes with breaks whenever wanted.
3. Invite sharing after the activity only when participants want to share.

Make it easier to use

Offer easy-grip materials and a firm writing surface.

Choose pages with broad areas when small regions are difficult.

Let each person decide whether to continue, pause, or finish.

This is an activity handout. Check the print on the facility's own printer and paper.
